

Changing Your Pack Membership

Fundraising with a Pack, or team, is the most popular choice. You can get together to see what your group is good at or what they enjoy doing, and hold events or fundraisers at home, work or at outside locations. Invite family and friends to join you.

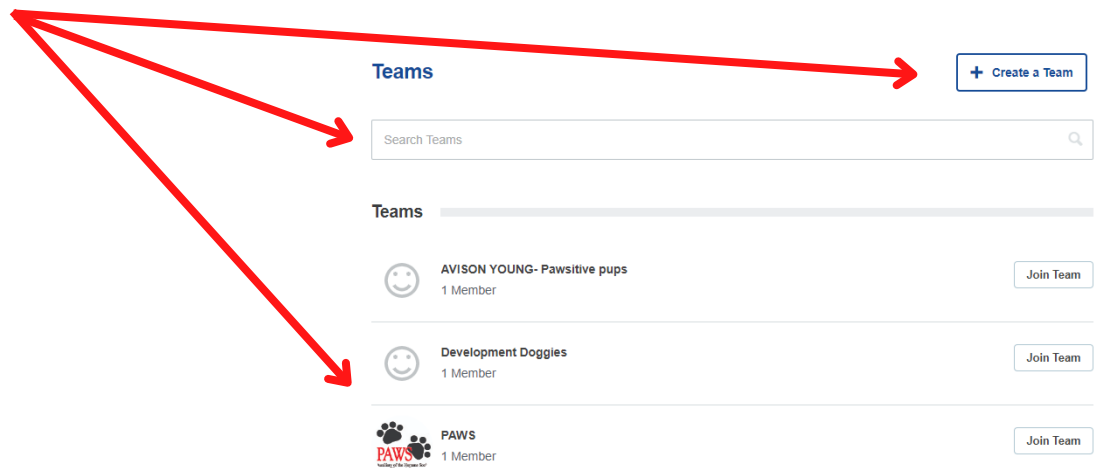

Visit www.Walk4theAnimals.com. Click on the **Log In** button to access your fundraising dashboard. Enter your login info.

Once logged in, look to the left-hand side of the page for Join a Team. Click **Join a Team**.

Once you click Join a team, you can either search for a team, create your own team, or look through the list of already made teams.

Once you choose the team you would like to join, click **Yes, Join**. Now you are added to this team!
