ABOUT THE HSBC

The Humane Society of Broward County has been a pillar of the Broward County community since 1944. Starting with humble beginnings in a 5,000 square foot house, our shelter has evolved into a 33,000 square foot building that has the ability to house over 300 dogs, cats and other furry animals.

Since we are a non-profit 501(c)(3) organization, receiving no direct funding or financial support from the government or any national group with a similar name, we rely on the generosity of the community, private grants and fundraising efforts. These donations allow us to provide care for homeless animals, educational programs in schools and the community, behavior training and low cost spay/neuter and vaccines for the public.

WHAT WE DO...

ADOPTIONS almost 4,100 animals placed into homes in 2021

EDUCATION PROGRAMS teaching over 150,000 children and adults care and respect for animals

LOW COST VACCINES for the public

PET LOSS AND GRIEVING SERVICES run by certified counselors

ANIMAL ASSISTED THERAPY PROGRAM visiting hospitals, schools and nursing homes with their trained companion animals to provide comfort

FOSTER FAMILIES placing animals who are not adapting well to shelter life and/or are too young for adoption with caring families

BEHAVIOR TRAINING using only positive methods in group or individual settings

VOLUNTEER SERVICES over 550 dedicated volunteers donating their time to help our shelter thrive

SURRENDER PREVENTION helping people to keep their four-legged friends as part of their family

WALK FOR THE ANIMALS

Over the past three decades, the Walk for the Animals has served as the Humane Society of Broward County's largest annual fundraising event. In 2022, over 3,000 enthusiastic people and more than 2,000 wagging tails graced downtown Fort Lauderdale's Huizenga Park, raising a net total of over \$485,000 to directly benefit the homeless animals and our shelter programs.

Now in its 33rd year, the Walk has become a highly anticipated event in Broward County for both participants and sponsors. Animal lovers spend months forming Packs and fundraising, and then celebrate their efforts on Walk Day. **We are excited to celebrate with everyone at our NEW location, Las Olas Intracoastal Promenade Park.**

For businesses in our community, the Walk provides publicity on Walk Day and for months leading up to the event. Companies are able to reach their target audience through our marketing efforts and involvement in numerous community events. On Walk Day, sponsors have the opportunity to interact directly with thousands of people, gaining new clients and customers. A staggering 90% continue to support this event year after year.

HERE ARE SOME OF THE WAYS THE ANIMALS ARE HELPED WITH YOUR DONATIONS...

\$500 Consult with an animal eye specialist to help save an animal's eye socket

\$1,000 Cardiac consult for our symptomatic heartworm positive dogs

\$2,000 Spay/Neuter surgery for 40 feral cats to help end the cycle of homeless felines

\$2,500 Orthopedic surgery for 2 animals to repair broken limbs so they can run and play

\$5,000 An ultrasound machine for the shelter. Ultrasounds help our clinic staff examine animals' internal body structures and organs to detect the source of their illness.

\$7,500 Spay/Neuter surgery for 75 dogs to help put an end to pet overpopulation

\$10,000 Microchips for 500 dogs or cats so they will never be lost again

\$15,000 Formula, medical care and supplies for 40 kittens so they have a chance at being healthy cats and annual vaccines for 400 dogs and cats to spare them from life-threatening diseases

\$25,000 A new transport vehicle. Transport vehicles are used to assist during disaster relief, to evacuate animals prior to a dangerous hurricane and to transport animals from high risk shelters to the HSBC to give them a second chance at finding a forever home.

HOW YOUR DONATIONS HELP THE ANIMALS

WALK DAY SCHEDULE

8:00AM: REGISTRATION OPENS

10:00AM: WALK BEGINS

12:00PM: EVENT CLOSES

There are lots of things to do and see during the event including visiting sponsor booths, entertainment, games, prize drawings and more.

The Humane Society of Broward County is making every effort to put precautions in place to protect our patrons, staff, volunteers and animals due to the COVID-19 virus.

Due to the uncertainty of this virus, we reserve the right to make changes to our sponsorship packages if we feel it is necessary to avoid putting anyone at potential risk of exposure or danger of any kind. We respect and appreciate our sponsors, and ask for your understanding as we prioritize safety for all involved.

FORM A WALK PACK!

Make the Walk exciting for your employees, co-workers, family and friends by joining together to form a Pack. Invite people of all ages to be a part of this event while promoting team building and philanthropy.

A Walk Pack is a team made up of two or more people who join together to raise money for the animals. Any amount raised is appreciated and incentives are awarded at designated monetary levels.

Raising money as a group also has additional incentives. When teams reach official Pack Status of \$1,500 or more collectively, Pack Perks are awarded and include:

- Pack photo taken at the Walk for the Animals
- Entry into special prize drawings for all Pack members
- A Pack Prize awarded to each member of the team
- A custom sign to carry with you at the Walk with your name and logo

The more your Pack members earn, the more incentives they'll receive!

Businesses that form a Pack have found it to be a great way to display community involvement; something that many customers look for when choosing where to do business. Our loyal patrons will also see your dedication when you proudly display your sign on Walk Day.

It's easy to begin. Designate one person as the Pack Leader and have them register at Walk4theAnimals.com. After that, others can register and join the Pack. We offer fundraising seminars at your place of business or at our shelter for those who would like to learn a little more about our organization, our Walk and learn some great fundraising ideas for you and your team. Everyone is welcome to attend.

For more information on forming a Pack, visit Walk4theAnimals.com. You can also email info@Walk4theAnimals.com or call 954-266-6817.

WALK TESTIMONIALS

“The Walk event is something we look forward to every year; not only do we have a tremendous amount of fun but we also get to help out the animals that so desperately need it. It is a true honor to be a partner with the Humane Society of Broward County for over 20 years.”

- Terri Nicholson, Hospital Manager-VCA Rock Creek Animal Hospital #329

“As a VCA Animal Hospital associate, our partnership with The Humane Society of Broward County is rewarding in many ways. Most of all, it is very satisfying to provide each new canine or feline adoptee some basic health care at no charge to the new pet parent. In doing so, we are taking part in giving a once vulnerable animal a great start to a healthy and happy life. In addition, VCA loves to participate in and celebrate the Walk for the Animals each and every year. To me, that is what community is all about; coming together and working together to do good. Having so much fun at the same time is just a bonus!”

- Mark Thomas, Hospital Manager-VCA Hillsboro Animal Hospital #324

“At Chewy, we’re passionate about supporting animals and making a positive impact in communities across the country. Humane Society of Broward County’s Walk for the Animals event creates an opportunity to celebrate all of the employees and volunteers that work tirelessly to give our furry friends a happy and healthy life leading up to adoption.”

- Chewy.com

“Veterinary Eye Institute has sponsored and participated in the Walk for the Animals since 2018. We are proud to support The Humane Society of Broward County and its amazing staff and volunteers as they continue to help improve our community. They offer shelter and adoption services that allow rescue pets the chance to find their forever homes and help to educate children and adults on how to care for and have empathy for animals through their educational programs. Their unwavering loyalty to the animals and support for our community is the reason we will always walk for the animals.”

- Dr. Dylan Buss for Veterinary Eye Institute
